This Christmas, give gifts that will make a difference and transform lives.

Over 40 Projects that reach the world.
Dear Friends,

This year’s Christmas Gift Catalog offers exciting opportunities for you to be a blessing to others during the holiday season and the weeks that follow. As usual, we requested a list of needs from many missionaries and mission endeavors which our Church regularly supports. These gifts will greatly enhance and advance the overall vision and mission of these life changing ministries.

As you review the items in this catalog, pray that God would show you which gift He wants you to give this Christmas. You may choose to completely fund one item yourself or add your gift to others in helping complete any one of the many needs our missionaries face this Christmas.

We intend to present these gifts as Christmas presents from your caring heart directly to the chosen mission in your name. Please make checks payable to Church on the Rock, and include the corresponding item number for the need you are meeting in the memo section of your check.

You may also choose to give electronically via the kiosk in our foyer, through our website at www.cotr.com, or through push pay by texting COTRGiving to 77977. Make sure to indicate the item number you are donating toward.

As always, the missionaries thank you, I thank you, and God thanks you for your special Christmas missions gifts.

Now enjoy the catalog, and let’s help make someone’s Christmas wish come true!

There will be blessings and joy all around—both here at home and on the Missions Field too! It might also encourage others to support Gospel work around the world and right next door!

The Food Pantry is a benevolent and evangelistic ministry to Southeast Texas communities distributing food and other household necessities. Supported by Golden Triangle Church on the Rock for the last 18 years, the Pantry is located at 649 Stadium Road in Port Arthur, Texas. Joe Moreno, together with his wife Beth, direct the COTR Food Pantry, aided by many faithful helpers. The Pantry is open Tuesday and Wednesday each week from 7:00-9:00 a.m.

During the past year, the Pantry distributed more than 60,000 pounds of food to 1,141 families, (over 3,000 individuals) amounting to a retail equivalent of over $86,000! Numbers of those helped have given their hearts to Christ, and received ministry through prayer and the Word of God.

Dr. Bishop Musa Njuguna heard the Word of God and accepted the Lord as his Savior in December 1959, at the age of 11, when missionaries Charles and Elsie Nielson of South Africa came to preach and plant a church in his native home area of Thogoto village Kikuyu. Through 49 years of continuous active service in evangelism Bishop Musa and his team have planted over 270 churches among over 21 different tribes. Equipping the next generation, Dr. Njuguna continues to give ministry leadership to pastors and God’s people throughout Kenya and around the world. Yoshkar-Ola Christian Center (YOCC) was founded in 1993, in the Mari-El Republic, Russia, by one of our elders, Pastor Robert Benlien and his family, assisted by a large church planting team from GTCOTR. YOCC, which began with the preaching of the Gospel in street evangelism and evening meetings in a large auditorium, is a thriving and regionally influential church which continues to flourish, now pastored by Pastor Natalia Ocherednichenko.

Pastor Sergey Gorokhov, a pastor who was converted in his teens, pastored in Yoshkar-Ola for a number of years. In recent years Sergey and his family started the growing Restoration Center which strategically shares Christ in the city of Kazan, a large city with Russia’s largest concentration of Muslims. Pastor Sergey continues to give advice and guidance to the church in YOCC, and pastors and churches all over the region, who also meet together to receive teaching and mentoring from Dr. Hammonds via the internet. The church has recently started a local extension of an accredited Bible College and Seminary with the help of GTCOTR and SUM Bible College in Oakland, CA.

“Ma’am” Rose’s serves and pastors in San Isidro, in ILOILO, Philippines. Her work started as she served alongside Mike & Jude Kelly, retired GTCOTR missionaries, who worked with thousands of displaced families who were part of a relocation camp set up for flood refugees. The camp has now become a small town, and a growing number of families have become believers and have been added to her congregation. A parcel of land has been purchased, and enough finances have been raised so that the foundation of the new church building is now going up! “Ma’am” Rose is supported by GTCOTR.

In partnership with the 700 Club/Operation Blessing, GTCOTR has financed a water well project that has helped many families in the area where “Ma’am” Rose is building her church.

This fall, Ralph and Annie Dryden celebrated 20 years on the missions field! Based in Thailand, the Drydens are Kingdom Expansion Resources Representatives who ministered in Prakanonchai, in Northeast Thailand. Many people have come to Christ and the church there continues to grow in regional and international influence. A radio station that was funded in large part by GTCOTR continues to reach many for the Gospel, including Vietnam and Laos.

Now a new chapter has begun, and Ralph and Annie are excited about their recent relocation to the city of Khon Kaen, where they first started in Thailand. From their new center of operations, the Drydens continue to teach, host missions groups and outreaches, and lead teams training new pastors and leaders to Vietnam, Laos, Philippines, Malaysia, and Nepal reaching Southeast Asia.

In poorer regions, there’s a daily concern to find enough food to feed one’s own family. One sack of rice is enough to feed one person for two weeks. Your gift makes a huge difference, and is blessed by the Lord — “… whatever you did for one of the least of these brothers and sisters of mine, you did for me.”

(Matthew 25:40)

**Sanctuary Chairs - #1611**

Your gift of a projector will help Pastor Ralph’s church reach more people in their community with God’s Word.

- #1609 - Ceiling Fans (Goal of 5): $30 each

**Bags of Rice - #1613**

In poorer regions, there’s a daily concern to find enough food to feed ones’ own family. One sack of rice is enough to feed one person for two weeks. This year we want to bless a number of disadvantaged and at-risk children with a happy memory by giving toys during the Christmas season. It is amazing how a simple gift can open up a child’s heart to the message of the Gospel — Jesus – God’s greatest Gift.
Pastor Tej Rokka was born and raised an orthodox Hindu, in the shadow of Mount Everest. He accepted Christ in 1988 while living in an orphanage after the death of his mother. His calling is to plant churches and train others to do the same. Presently, he is a Senior Pastor of a church in Kathmandu, and oversees many churches and new church plants, a Bible Ministry Training Center, SARA Children’s Homes, (currently with over 40 children in three locations) and he maintains a daily Radio Ministry. The Ministry Training Center, started and supported by GTCOTR, has trained more than 160 church planters and ministers in the last 10 years. As Nepal is still recovering from a deadly earthquake, Tej’s ministries face many challenges for the sake of the Gospel.

Larry Myers founded Mexico Ministries in 1978 after more than a decade of pastoring congregations in Texas. Born in New Orleans in 1937, Larry spent his early years living a “Huckleberry Finn” life along the banks of the Mississippi and Atchafalaya rivers. The middle of ten children, he grew up in very poor circumstances, and sees now how even his childhood prepared him to minister among the poorest of the poor in Mexico.

Being an avid outdoorsman prepared Larry for a ministry that has included traversing the mountains, jungles and rivers of Mexico to bring the Gospel to people who have never heard it. He has spent more than thirty-five years sleeping in tents, hiking up mountains, and maneuvering rivers in order to share Christ’s love with others, and to help them establish congregations and build church buildings from the Rio Grande to the border of Guatemala.

This year, Pastors Ashley and Traci Hammonds, along with their children, Jordan, Luke, and Kaeden, answered the call of God to relocate to England in order to share the gospel through community involvement, relationship building, and discipleship.

After much prayer, counsel, and diligent consideration, they felt it important to embrace a marketplace missions model by living, working, studying, and serving within the local communities.

Immersing ourselves in the culture to bring Christ, through witness, to this essentially “Pre-Christian” world.

Prayer Support
We value your continued prayer as our family is beginning our Marketplace ministry.

Funds to Facilitate Outreach Opportunities and Materials - #1621
Your gifts provide opportunities for us to engage people in the marketplace, and to foster relationships by opening our home to a growing group of seekers. As initial contacts turn into deeper spiritual conversations, we dialog about Jesus - initially in terms of morality and relationship - using resources such as apologetics materials. Through your prayers and support, God is providing a real opportunity to open hearts and minds to the claims of the Gospel.

In most prisons in the world, prisoners must be provided for by their own families or friends. Many have no help at all inside prison and must depend on others who help compassionately. Each year in December, Johanis holds a Christmas celebration at the prison. Your $3 gift would buy an inmate a good meal. There are actually about 300 inmates at the prison. As other ministers and ministries are also serving the prisoners, our goal is to raise enough for 100 meals feeding 100 prisoners.

Shields of Strength

Retired Colonel David Dodd now serves on the front lines of a different battle. God has called him and his Point 27 ministry to help servicemen and women and first responders in all walks of life through the gospel, giving hope and encouragement and scriptural reminders called Shields of Strength. The attacks on soldiers and veterans from suicide, physical injury, homelessness, unemployment and divorce are taking their toll every day. Shields of Strength is a front line missions group helping thousands.

A Gold Star Family member is an official designation for a relative of a member of the Armed Forces who was killed while serving in combat. To honor Gold Star Family Members, Shields of Strength designed and produced a Folded American Flag Pendant engraved with John 15:13, “Greater Love Has No One Than This, To Lay One’s Life Down For A Friend.” Shields of Strength is partnering with the top two Non-Profit Organizations for Gold Star Family Members, the Tragedy Assistance Program for Survivors (TAPS) and the Snowball Express. This Christmas season, now more than ever, your gifts in support of Church on the Rock missions and missionaries will have a lasting impact both in our community and communities around the world.

Your gifts will bring hope and healing to impoverished and hurting children, families, and individuals.

Your gifts are helping build Churches, feed the hungry, conduct medical outreaches, drill water wells, and provide support for many projects and workers on the front lines of the Gospel’s advance to the unreached, some of whom are in the most remote areas of the world.

May God richly bless you for helping take the Good News of Jesus around the world!
